Delhi Public School Society **NEW DELHI**

World Wide Association of schools which strives to inculcate contemporary global values in the youth. The DPS society is a non profit, non-proprietary, private, educational organization. This global network of over 200 English medium, co-educational, secular schools provides education from Pre-Nursery to Class XII. The DPS family with its transcontinental identity, is not merely a list of institutions, persons or facts; it's a network of values, systems and relationships.

The Delhi Public School **THE JOURNEY**

From the beginning in the President's Estate in 1941 as Church High School to Naveen Bharat School in 1947 and finally in 1949 at its present location on Mathura Road, DPS has traversed a long journey. The birth of a new nation in 1947 was in a way the beginning of DPS (called Naveen Bharat then), a momentous time in the history of our nation, when a beginning was made to fulfil a social, national need.

DPS Mathura Road was the only school till DPS R.K. Puram came into being in 1972. Over 400 schools that followed are simple assertions of the strength that is DPS. Yet what has remained unchanged is the zest and spirit to achieve and to excel. DPS Udhampur was founded in Year 2008 under the banner of DPS Society, New Delhi.

RAHUL SINGH

Like all educational institutes in the country, DPS Udhampur has been facing a big challenge with the onset of the Corona pandemic, and the nationwide lockdown of March 2020. Schools and colleges have been compelled to improvise by going in for online teaching. This has meant teachers having to master digital skills, and to successfully convey those skills to the students sitting in their homes, with devices like computers and smart phones. There has also been the issue of connectivity. Parents, too, have had to make difficult adjustments. Hence, for close to two years, teachers, students and parents have had to evolve an entirely new paradigm of learning. The transition has not been easy. But I am glad to say that your school has met this unprecedented crisis as well as was humanly possible. We have emerged stronger and wiser. For this I would like to congratulate all those concerned - the Principal, the teachers, students, parents, and of course the pro-VC, for providing the digital infrastructure so essential for good electronic communication. I write this as another variant of the virus, the Omicron, is spreading like wildfire all over the world, including India. Let's face it: we will have to live with a hybrid form of learning, physical and online, in the foreseeable future. However, just as we have done in the past two years, we shall not only overcome but come out stronger than ever.

PRO-VICE CHAIRMAN DPS, UDHAMPUR

DR. J.C. GUPTA

Education is the basis of all progress. It is for this very reason that we forayed into education, about 13 years ago. Over a decade and a half of experience has taught us that progress is possible only, if men and women are equally well-educated..

We, just like you, believe in holistic education for your child, encompassing – academics, co-curricular activities, sports education and life-skills learning. Our endeavor is to strike a balance between state-of-the-art infrastructure and an internationally acceptable education.

At Delhi Public School Udhampur School we impart education that is based on conscience and we rear a breed of young minds that are bustling with self confidence, motivation and ever ready to take up challenges.

The campus, sports and academic facilities all bear testimony to this effort. In order to promote an internationally acceptable education, our key focus has been on faculty development – providing continuous teacher training in order to deliver real value education and excellence in academics. Teachers are trained not only to teach well but are also expected to inspire confidence and trust in their students and become role models. Further, the School inculcates in the students a respect for tradition and ensures discipline and good manners.

DPS Udhampur encourages students to learn about themselves and their constantly changing environment, while at the same time offering support and guidance as they practice decision-making and social skills.

We are confident that this school is the best place for your child. We welcome your active interest and involvement in the progress and activities of your child. We look forward to your continuous support.

Regards

(Dr. J.C. Gupta)

PRINCIPAL DPS, UDHAMPUR

"Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations."

Today, the role of a school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers, and productive members of an ever-changing global society. More than a decade back Delhi Public School, Udhampur pledged to transform education. The school that is being run under the aegis of well established **"the Delhi Public School Society, New Delhi"** has earned its own niche not only in Udhampur but across the length & breath of the country and beyond.

We at DPS work at implementing a well balanced curriculum to ensure that the children who walk into the portals of our school will not just love their school years but truly be prepared to face life's challenges.

"TO MOTIVATE THE WEAK, TO ADDRESS THE AVERAGE AND CHALLENGE THE GIFTED" is the teaching vision of our school.

At DPS Udhampur we provide an atmosphere to our students for multifaceted development, where children are encouraged to channelize their potential in the pursuit of excellence. This can only be possible in a holistic, student-centric environment. The talents, skills, and abilities of each student need to be identified, nurtured, and encouraged so that he / she is able to reach greater heights.

The school is striving hard to make the best possible efforts to inculcate strong values combining with academics and extra-curricular activities in the children. Converting every individual into a self-reliant and independent citizen, the school provides an

amalgam of scholastic and co-scholastic activities.

No wonder, a student harnessed in such an atmosphere has every hope and possibility of becoming a responsible, balanced and a mature adult and is able to live in to contribute and to shoulder responsibilities of the society, of which he forms an integral part.

At DPS Udhampur our approaches to learning is child centric encouraging Activity based learning and inculcating a scientific temper and a spirit of free enquiry.

Aristotle once said that, "Educating the mind without educating the heart is no education at all." Even as we impart education to match the advancement in technology and globalization, we march our children ahead with DPS' ethos of moral values and principles. We endeavor constantly to instill these qualities in our children. We pride ourselves to help them grow and develop into sensitive and responsible citizens of the next generation.

The parents are the most strengthening power in molding the future of children. Their consistent support empowers us to do more and more. I pay my gratitude to them for their faith in us.

I am confident enough that the DPITES will make themselves stronger day by day, adding a new leaf to the grandeur of the school.

Unique Aspects of **DPS, Udhampur**

INDIAN ETHOS

DPS provides a stimulating environment, encouraging students to inculcate an appreciation for Indian culture and values. Secularism and respect for diverse cultures are our core values

SOCIAL AND COMMUNITY SERVICE

The school encourages the students to participate in community welfare program in order to help develop the finer sensibilities of children. Such initiatives include social service league and promotional welfare programmes for physically challenged children, orphans and homeless. The school has initiated a program called “**Hand full of Atta & Rice**” which our students collect and then distribute among the needy and homeless.

The School has also taken an initiative this Christmas for being the **Secret Santa** for the underprivileged people by **donating clothes and woolens** to the needy.

ASTACHAL

The school has instructional introspection among the students through 'The Shiv Temple' within the school Campus, since its inception. Students observe prayer everyday amidst encouraging self reflection for greater self awareness.

A GLOBAL PERSPECTIVE

The school is committed to enlarging opportunities for students to evolve their world view. The students exchange programs, the round square conferences, service projects; educational excursions etc. enables the students to be globally smart.

CO CURRICULAR ACTIVITIES

Active engagement in various co-curricular activities promote wholesome education which leads to the development of a complete personality.

ADVENTURE

Educational & nature camps, mountaineering expeditions, trekking, white water rafting, cycling etc allow students to discover themselves. The students successfully complete these activities and earn medals and awards for themselves and the institution.

CLUB AND SOCIETIES

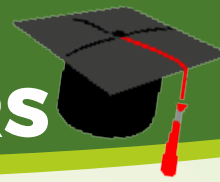

Schools offers various clubs & societies to the students that brings them together to explore command interests, allowing them to express their creativity through multifaceted activities.

SPORTS

“All work no play makes Jack a dull boy “

Sports play an important role in maintaining energy and strength keeping the kids physically fit. It helps to improve their mental strainer and stamina. To improvise the physical health various games like Table Tennis, Kho-Kho, Kabbadi, Volleyball, Badminton, Cricket, football, Handball, Taekwondo, Wushu, Martial Arts etc.

DPS Juniors is the Pre primary wing of Delhi Public School Udhampur, is designed with most sophisticated tools of learning. International Curriculum, Thematic classrooms, digital books, exclusive smart classes, dedicated play area etc. The toddlers are given a world of their own where they learn and grow.

**Kindergarten teachers at DPS believe
“they wanted to become a kindergarten teacher like their mothers.”**

- DPS Juniors follows a pre designed special curriculum. The curriculum is designed and planned very meticulously for early learners. The learners need not to carry heavy bags to schools anymore; they just carry a single book with all subjects. The curriculum is divided into volumes for easy learning. The digital version of the same is available in our smart class and smart phones of teachers and parents.
- DPS Juniors provides a vibrant atmosphere, a home away from home, where emphasis is on conceptual and creative inputs for building a strong foundation
- Thematic classrooms are the biggest attraction for the kids with toy story, jungle theme, Mario etc. displayed in their study rooms, gives them feeling of belongingness and friendly atmosphere.
- The teaching is child centered and is tailored to the individual needs of students by involving each one of them in the learning process and sustaining their interests.

The curriculum stresses on socio emotional aspect, creative expressions, aesthetic and cognitive skills and motor development skills.

- The brightly lit and well decorated classrooms are a joy for our little toddlers.
- **The Intellectual Development Centre** is a child's paradise with not only toys, games, puzzles, dollhouse, area for T.V. viewing and music but where child learns & practice everyday living of life. It transports the children to a fairy tale world where they get to meet their Mogley, Cinderella and Tom and Jerry etc and say way learn basic daily activities of life like table manners, pouring, pounding etc.

SUPPORTIVE CLASSROOM ENVIRONMENT

At DPS Udhampur, we try to create a classroom atmosphere that is supportive rather than competitive. Students work cooperatively in small groups to solve a single problem, using different strategies. They are encouraged to regularly seek help and advice from each other.

As kids work cooperatively and begin to look to one another for answer, they gain exposure to range of problem solving processes and an atmosphere of trust, collaboration and partnership is created.

ACADEMIC FACILITIES

SCIENCE LABS

The school has huge, well equipped Biology, Physics and Chemistry Labs. The Labs with modern amenities and quality specimens and models open up a world of knowledge for children to observe, experiment and comprehend. Extensive use is made of the Smart Class facilities. Interesting projects help sustain and satisfy the curiosity of the budding scientists. 'Learning by Doing' remains the motto.

LANGUAGE LAB

“Language Sare The Pedigree of Nations” - Samuel Johnson. A language depicts a culture and which in turn is the reflection of the society and its people. We are committed to the social grooming of our students.

A well equipped language lab provides the necessary spring board to the students to overcome any inhibitions and sets them to exchange their ideas and views freely. The children, through planned programmes, develop listening and speaking skills. Stress on pronunciation, voice modulation and vocabulary helps the child master languages like English, Hindi, Sanskrit and Urdu.

COMPUTER LABS

With computer education an essential part of modern day living, it has become the priority of the school to make students and teachers computer literate.

The school has Computer labs for the Primary, Middle & Senior sections with 40 computers each to equip the staff & students. Special courses on animation, graphic designing, Artificial Intelligence etc. apart from regular syllabus are imparted.

The labs maintain 1:1 student-computer ratio. It not only helps students to learn computer but also guide them how to utilise technology effectively to attain the maximum performance.

STUDENTS COUNCIL

DPS Udhampur has complete students council for Junior School & Senior School. The School Council is headed by School Head Boy & School Head Girl along with Deputy Head Boy and Deputy Head Girls along with the council of 4 House Captains, 4 Vice House Captains & 4 Prefects. Sports Captain, Cultural Captain & Discipline Captain completes the Senior Perfect Council of the school. The Junior Council comprises of Jr. Head Boy, Jr. Head Girl, Deputy Head Girl & Head Boy along with a council of 4 House Captain & prefects.

The Unequaled Concerns

The Counselling Cell under a qualified and experienced Counselor aims at strengthening the child's coping abilities to counter environmental stress, complex situations and the adolescence. The students can also walk up to the counsellor for a heart to heart talk and this has proved a very helpful for the students.

Personalized Counselling: The Counsellor, available on all school days helps students from all classes when referred to by teachers or parents.

Group Counselling

Equipping children with life skills is one of the most essential tasks at DPS. Programmes, Seminars, and Group Discussions are held on sensitive issues like HIV AIDS, Drug Abuse, Bullying, Gender Equality to create a strong awareness in the pupils.

Career Counselling

The impact of globalization has thrown up many options for living. At DPS, we feel such challenges can be faced well only when the discovery of one's resources is effectively facilitated. The Counselling Cell conducts career counselling sessions with the help of experts from respective fields, for the benefit of the

students. This is a very specialized activity, particularly relevant for the adolescent students to help them acquire a quality of finesse and a "Polish". These classes are aimed at grooming young girls and boys for manners and etiquette, with a stress on value based development. We prepare global citizens.
